Editor's Note December 15, 2021 Anno Domini : I am trying to organize this thread as I have salvaged it from various sites that I posted this information on through the years such as the description in the video above which the reader can reach at the link provided and may be the place to start as this study grew from that video. All notes in italics are from this date.

Ezra's Apocalypse records the Rise and Fall of the American Empire - this is the Prophecy that Evangelicals have been looking for and was originally included in the King James Version for 200 years before they removed it to their detriment.

This is the only Prophecy in the Word of God that was specifically commanded to be hidden until the time of the End and Ezra, who compiled the Old Testament Canon, was in the perfect position to do just that and the vision has remained remarkably hidden until now in fulfillment of that command

For the King James Version Text of the Vision see the Appendix at the end of this PDF.

Notes

The Fires that destroy the Eagle at the end of the Vision may be from Planet X - Meteorite Swarm and probably Phosphorus Debris - this latter is probably what started that fire in Arizona that killed those 19 Firemen. *It has recently been proven that God destroyed Sodom using Meteorites and Amos tells us that God will destroy some of End Times Ephraim's (Amrrica) cities in the same way..*

Washington is described as the Second Feather and some say that we had 16 Presidents before him however, the President of Congress is a Legislative Position, not Executive (as

Commander in Chief) and John Hancock knew this full well and when he was turned down for the Commander in Chief position, he set about to make his position as President of Congress into, "a separate executive office" trumping George and he is the only President of Congress that has ruled Executively making Washington the second President or Feather. He remained, for all practical purposes, as Commander in Chief right up until the end of his second tour reigning about 20 years or more then twice what any other Feather reigned, just as the Angel Uriel stated - the Angel knows how our Republic works better than we do.

Consider this : never in the History of Warfare has it ever been recorded of any battle; no matter how large or small the conflict; no matter how great or insignificant the outcome was to world history; no matter how aggressive the attackers or desperate the defenders; nay, not even at Thermopylae, when 300 of the baddest sons-of-bitches the world has ever seen spat in the face of an invading army of a million men; it has never once been heard that a group of soldiers was given permission to sleep on their watch and at their posts - ever. Only at the Alamo. This one fact makes America the only possible subject of the passage and transports this vision to sublime heights as, perhaps, the most glorious fulfillment of prophecy ever recorded of mere mortal men. This should serve to place the vision in proper perspective for the viewer.

One of the arguments for the earlier date for writing (i.e. by Ezra himself circa 445 BC and not 100 BC), is his surprise at the Electoral Process of a Republic that we all take for granted. The first Republic was founded by Rome in 509 BC and the first Democracy by Greece the very next year so it is doubtful that Ezra would have been familiar with this process but for people in 100 BC or so, it would have been common knowledge.

Its Terrible rise is supported by Isaiah 18 (to America whereas Isaiah 28 is to the entire Anglo Saxon Empire) who says that the Land "Overshadowed with Wings" which was "beyond the rivers of Ethiopia" (which Zephaniah echos and states it is the "daughter of my dispersed" or the Ten Lost Tribes) was "Terrible from its beginnings".

The Vision that Washington supposedly had at Valley Forge was just propaganda for the Manifest Destiny Movement. It has been proven that Anthony Sherman was not at Valley Forge so could not have been told any Vision by George. They wanted to motivate the citizens, and they couldn't use this Vision because of the judgment against the Republic so they borrowed the "great peril" of this vision and put it in their own 'vision'.

Hamilton and Burr were both Federalists and they both decided they wanted to take over the Party at the same time which ended in the, still, famous duel that killed Hamilton and, basically, killed Burr's Political Career so he turned traitor.

Originally the Federalist Party was IT and wrote the book, literally, on true Patriotism and basically ruled the country back then. But their stance on the War of 1812 against Britain tagged them as unpatriotic and basically killed the party leaving only the Republicans and Democrats which remained until today exactly as the vision states.

This Two Headed Eagle is the (falsely so-called) "Ancient and Accepted Scottish Freemasonry" with its 33*'s which is a Babylonian corruption of pure York Rite Masonry with its 7*'s which is Antediluvian in origins - might make a video on this. The turncoats in the Republic were London Lodge Masons (i.e. owned by the Crown) and the Patriots were York Rite Masons. They were trying to merge the two at the time of the War but a guy by the name of General Charles Lee put an end to that.

And I numbered her contrary feathers, and, behold, there were eight of them.

First Eight Presidents.

There shall none after thee attain unto thy time, neither unto the half thereof.

I have already shown how Washington was actually the Second Feather and none of the other eight reigned even half of his, basically, twenty years.

So went it with all the residue one after another, as that every one reigned, and then appeared no more.

The Electoral Process which would have been totally alien to Ezra (proving the earlier date for the writing of the prophecy) but in 100 BC would have been common knowledge to the entire world as described in the book of Maccabees - this because the first Republic was in 509 BC and the first Democracy the very next year.

For some of them were set up, but ruled not.

The Electoral Process where you end up with two Candidates - one from each Party - and one wins and one loses and disappears.

And I beheld, and, lo, there was one set up, but shortly it appeared no more. And the second was sooner away than the first.

When you look at the Angel's Interpretation of Ezra's Vision Uriel makes it clear that these are the Last Two Feathers of the Republic. Ezra records the end of the Republic but then goes back to continue the vision where he left off at (exactly as John does in the 20 chapter of Revelation showing the Final Judgment after the end of the Millennium but then goes back to the end of the tribulation to describe the touchdown of the New Jerusalem at the start of the Millennium).

And, behold, the head was turned with them that were with it, and did eat up the two feathers under the wing that would have reigned.

Hamilton and Burr Dual which is still talked about to this day - they were both trying to take over the Federalist Party.

And after this I beheld, and, lo, the head that was in the midst suddenly appeared no more, like as the wings.

The Federalist Party - the Center Head - who wrote the book on Patriotism (literally, the Federalist Papers) died an ugly death in its own bed for being "unpatriotic" due to their stance on the War of 1812.

But there remained the two heads, which also in like sort ruled upon the earth, and over those that dwelt therein. And I beheld, and, lo, the head upon the right side devoured it that was upon the left side.

I already explained this above but with the death of JFK the Democratic Party itself 'died' and the country has been run by the Skull and Boneheads ever since *until the Election of Trump*.

Art not thou it that remainest of the four beasts, whom I made to reign in my world, that the end of their times might come through them?

Because America rises and falls before the Fourth Beast proper of Daniel's Vision they are both called a Fourth Beast.

And the fourth came, and overcame all the beasts that were past, and had power over the world with great fearfulness.

The Angel specifically states that the Eagle will have dominion over the other three Beasts mentioned in Daniel. The Lion is Britain and the Eagle's Wings were plucked off in the Wars of 1776 and 1812. England uses the Rampant Lion as described by the Vision. The Bear is obviously Russia. The Leopard is the Arabic Muslim Nations and as stated above America has trampled all three of these beasts underfoot. That the Roman Empire is not this Eagle (or the Reich) is easily shown by the fact that it did not get Plucked off the back of a Lion.

For the earth hast thou not judged with truth.

The Truth of Creation vs Evolution and they have the proof that Evolution is a Lie. The lies surrounding 911 and the JFK assassination itself, etc. As previously stated, the CIA, which runs the Shadow Government, brags that they get paid to lie.

And therefore appear no more, thou eagle, nor thy horrible wings, nor thy wicked feathers nor thy malicious heads, nor thy hurtful claws, nor all thy vain body.

The entire Eagle is described as being, for all practical purposes, wicked and if you look at the real history of the American Revolution you will find just that. So much so that the other Prophets unanimously attest that 90% of it will be destroyed and only 10% of the people will survive God's coming judgment.

That all the earth may be refreshed, and may return, being delivered from thy violence, and that she may hope for the judgment and mercy of him that made her.

The Times of Refreshing talked about by Uncle Pete - and here you can see that there is a certain amount of time between the destruction of the Eagle and the Judgment of the Tribulation at the Return of Y'shua.

Now, I will comment on the Interpretation of the Vision by Uriel.

And it came to pass, whiles the lion spake these words unto the eagle, I saw and, behold, the head that remained and the four wings appeared no more, and the two went unto it and set themselves up to reign, and their kingdom was small, and full of uproar.

Originally there were Six Wings and these refer to the spiritual life of the nation and that is the six Protestant Denominations that have put all the Presidents on the Throne - Episcopalian, Baptist, Presbyterian, Methodist, Unitarian, Congregational and of these the first one has put the Lion's Share of Presidents on the Throne - Trump attends the Episcopalian Church in DC and the Bushes own the first two pews in their home Episcopalian Church.

I can assure you that the Lion rebuked the Eagle July 9, 2013 AD. Web Rumor in July of 2014 AD the Bush Sr died (the guy in the wheel chair probably a double - do you honestly think they would bury his body in his Presidential Library instead of in Arlington or on their own property somewhere?).

And I saw, and, behold, they appeared no more, and the whole body of the eagle was burnt so that the earth was in great fear.

It is possible that the recently discovered Super Volcano under China Lakes which is bigger than Yellowstone and which has had a Swarm of Earthquakes occurring over it for weeks now with about 100,000 aftershocks, may be how the body of the Eagle is burnt *possibly as a result of impactors*.

The eagle, whom thou sawest come up from the sea, is the kingdom which was seen in the vision of thy brother Daniel but it was not expounded unto him, therefore now I declare it unto thee.

Note two things - the Eagle is mentioned in Daniel's Vision, but it is not described to him. The Fourth Beast was described to Daniel in that vision so this Eagle can only be the Wing's that were plucked off the Lion of England.

There shall arise great strivings, and it shall stand in peril of failing: nevertheless it shall not then fall, but shall be restored again to his beginning.

The Civil War which almost did in this country. In fact, the fraudulent Vision of Washington took this passage of Scripture to give some type of authority to their propaganda (for the Manifest Destiny movement).

In his last days shall the most High raise up three kingdoms and renew many things therein and they shall have the dominion of the earth. And of those that dwell therein, with much oppression, above all those that were before them: therefore are they called the heads of the eagle..

Referring to the three Parties - Federalist, Republican and Democrat. Renew many things I believe is referring to, potentially, Antediluvian Technology - Harnessing Electricity, Telegraph, Telephone, Internal Combustion, First in Flight, etc.

And whereas thou sawest that the great head appeared no more, it signifieth that one of them shall die upon his bed, and yet with pain.

Federalist Party as previously stated.

For the two that remain shall be slain with the sword, for the sword of the one shall devour the other: but at the last shall he fall through the sword himself.

As previously stated this is the death of JFK. Bush Sr was probably whacked in 2014 for failure to establish the, now defunct, New World Order. They had been bragging about it for 100 years on your one dollar bills to be established in 2012 (you know, the big Mayan date) and this is because the 'prophecy' that they use of the New Order of the Ages specifies Saturn in Virgo where it was in 2012 - it went retrograde back into Virgo in 2013 so they gave em another year and they still failed so he was dead July 2014 according to a Twitter Rumor at the time.

It signifieth that these are they, whom the Highest hath kept unto their end: this is the small kingdom and full of trouble, as thou sawest.

Trump and Bidon - see below.

This is the Anointed, which the Highest hath kept for them and for their wickedness unto the end: he shall reprove them, and shall upbraid them with their cruelty.

Messiah son of Joseph - must be from the Tribe of Ephraim (America) per Joseph's Dream (father of Ephraim the 'firstborn') but also Judah (Ezekiel 37). Must be named David per Jeremiah, Ezekiel and Hosea. Must be Y'shua's Son per Isaiah 53 and Proverbs 30 - another Truth being covered up by the Shadow Government being sired via the Shroud of Turin.

For the rest of my people shall he deliver with mercy, those that have been pressed upon my borders, and he shall make them joyful until the coming of the day of judgment, whereof I have spoken unto thee from the beginning.

And, again, this shows a certain amount of time after the fall of the Eagle until the Return of Y'shua.

And whereas you saw two feathers under the wings passing over the head that is on the right side; It signifies that these are they, whom the Highest hath kept unto their end: this is the small dominion and full of trouble, as you saw.

The description given by Ezra fits the Electoral Process at a time when the reigning President is at the end of his second term and two Contenders are Campaigning for the Throne which is exactly what we have right now as I type this with Trump beyond a shadow of a doubt being one of these two remaining feathers. *Significantly, Bidon also ran in 2016.*

There is a reference by the Angel to the Two Feathers which the Prophet describes in more detail and which can only be the same Two Feathers cited by the Angel at the demise of the Eagle. Thus, the Prophet states that the second feather disappears before the first which, *hindsight being 2021, means Bidon won't finish his four years and when he disappears America will burn.*

Another passing comment is that, as the Media pointed out, it was the Rural Voters that Elected Trump - this may be a fulfillment of the description in the Vision of those people "on the borders" of the nation

There are three ways the last Feather could disappear - I must emphasize that this is the last event before America burns and, in fact, it would appear from the context of the Prophecy that it is this very disappearance that triggers the Conflagration : Assassination which should have been mentioned in context as with two previous Feathers, Impeachment which is not likely now that the Senate failed to find any Russian collusion with Trump and Resignation which is highly unlikely considering Trump's personality.

However, there is a fourth possibility.

On 911, Bush Junior was whisked away to an Undisclosed Location for Security purposes thus disappearing from public view - in fact, Dubya insisted on returning to the Public's Eye when the Secret Service allowed it. If we go to War with a rival nuclear power, as a potential walking Ground Zero, there is absolutely no doubt that the Last Feather will disappear.

The lion whom you saw rousing itself from the forest and roaring and speaking to the eagle and rebuking it for its deeds of injustice, as for all the words that you heard him speaking. This is the anointed one. The Most High has kept him for the end of days. He will arise from the line of David, and he will come and speak to them. He will denounce their wicked acts and indict them for their injustice. He will set before them their despicable deeds. He will put them on trial while they are still alive, and after he has convicted them, he will destroy them. Yet he will mercifully liberate the remaining few of my people who are saved throughout my territory. He will make

them joyful until the end comes—the Judgment Day, of which I have spoken to you from the beginning.

The person who correctly interprets the vision is the Davidic Leader. The Eagle was rebuked when he published his video at the date above. And, further, the Davidic Leader of the End Days is specifically called David by Jeremiah, Hosea and Ezekiel and there is not a Monarch on the Planet that goes by that name.

The first twelve feathers are the first 12 presidents of America.

The 4th Beast of 2 Es is not the 4th Beast of Daniel which was specifically described by the Angel but Uriel stated that it had not been expounded to Daniel so the only beast it can be is the the Eagle's Wings plucked off the British Lion in 1776 and 1814 (two wings two wars).

I looked and saw the eagle rise on its talons and call out to its wings, saying, "Don't all watch together. Let each one sleep in his place and take turns watching. But the heads will be kept for the end."

The Winds blowing on the Eagle are the immigrant waves in this country's history which led to the nickname the Melting Pot.

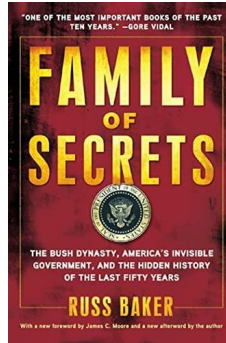

Standing up on its Talons is the Manifest Destiny movement and even today there are some politicians in the US that want to annex Mexico and Canada as our Destiny.

The voice came from the body of the eagle (not the head) which is the grassroots movement by the people of Texas which led to the Alamo where they decided they could sleep each one at their posts because they were hopelessly outnumbered.

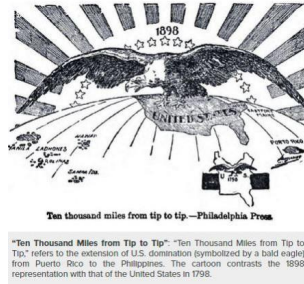

As for the fact that you saw three heads at rest, this is the interpretation. In the last period the Most High will raise up three kings and he will renew many things in it and they will rule the earth and greatly oppress those who dwell on it, more than all the rest who were before them. Therefore, they are called the heads of the eagle, because they will sum up its acts of impiety and complete its final deeds. As for your seeing the biggest head disappear, one of the kings will die on his bed, though in agony. As to the two who are left, the sword will destroy them. The sword of one of them will destroy the one who is with him, but he too will fall by the sword in the last days.

The right head destroys the left. The first head is the Federalist Party which died in its own bed for its subsequent position during the War of 1812 as unpatriotic. Since then the country has been run by either of the other two heads, Republicans and Democrats.

Republican Bush kills Democratic JFK : Family of Secrets: The Bush Dynasty America's Invisible Government

Russia is the Bear - America is the Eagle - England is the Lion - Muslims are the Leopard etc. All of these have been trampled under by the Eagle. We trampled England in 1776 and again in 1814, We trampled the Bear during the Cold War and we have subsequently trampled the Leopard via the War on Terror.

The Eagle Spread its Wings over the entire earth - I remind you that America is considered by some to be the sole Global Superpower.

Remember, the Covenant isn't confirmed until 2036 AD and it is the judgment of the Eagle from the Sea that sets up world events that gives rise to the Fourth Beast in Daniel and sets the stage for the Revived Roman Empire.

I would also add that the British Monarchy is a used up whore - they can't even get their own ship back from Iran so obviously they won't be ruling much of anything during the tribulation.

Thou hast afflicted the meek.

MKULTRA Monarch Project of the 60's *which was ousted and went underground via the Tavistock Institute and continues to this day.*

Thou hast hurt the peaceable.

Peace Protestors of the 70's.

Thou hast loved liars.

The 80's CIA brags that they get "paid to lie" and that is how they run the Shadow Government of the Eagle Kingdom.

Destroyed the dwellings of them that brought forth fruit.

Waco 90's and the Branch Davidians erroneously accused of many crimes by the Shadow Government itself.

Cast down the walls of such as did thee no harm.

2005 New Orleans and Hurricane Katrina with evidence that they previously planted charges in the Levi in the spring of that year.

Your proud times are over.

Here the Lion is summarizing and is referring to 911 - "I remember when I saw the first plane hit the towers I thought to myself, 'That's one terrible pilot.'" Which is what the American public said about Bush Sr which cost him the re-election which, had he won, he would have been the one on the White House Lawn with Rabin and Arafat.

Your Abominations are over.

Pedaphile Ring in the White House.

Post Script : This is the conclusion of the matter

It has just been proven that it was an exploding meteorite that took out Sodom and the cities of the plains and, as Amos tells us, God is going to judge several of end times Ephraim's cities in the same way so there is a high probability that the fall of America will be the result of a meteorite swarm of some kind.

So, keeping an open mind, then it may be possible that the last two Feathers are Trump and Bidon which would bring the two spurious Feathers back into play.

They are both described as circling the right head (defunct Bush Cartel Shadow Government) like vultures and Bidon set himself up to reign in 2016 (as did Jeb Bush and Hillary) but lost at that time so it is as if this last election were just a continuation of the former one with the connection to the right republican head for Bidon being supplied by Dubya who dissed Trump and 'endorsed' Bidon (and just got a dressing down for this position just the other day from an Iraq Veteran) and their dominion is full of tumult which started under Trump and has continued under Bidon thanks to coronavirus and other factors.

Significantly, Bidon has kept Trump's Sanctions in place, especially concerning China as well as the wall, such as it is, instead of tearing it down and the vaccine program, and more significantly, the restrictions were actually started by Trump so that you could say Bidon's reign is, for all practical purposes, just a continuation of Trump's reign.

That the Hedge is gone around America (Is 18) is apparent from the invasion currently occurring south of the border (the fowles of the mountains) and the destruction of the wall in that passage will occur at the Rapture.

Interestingly enough, though Bidon is Catholic, they started using the Anglican Communion before he ran in 2020 making him, for all practical purposes, an Episcopalian President which is one of the Six Wings that have placed people in the White House thus in harmony with the Prophecy.

The passage on the two feathers says that the second feather was, "sooner away than the first" which I took to mean in time (hence originally applied to Hillary and then Pence) but it may be referring to duration which immediately identifies the last two feathers as Presidents in turn (ie not Vice Presidents or even Candidates), which makes Trump and Bidon the last two Feathers and is indicative that Bidon will not serve out his first four years.

See above for the possibilities on how he may disappear but know this - when Bidon disappears judgment will soon follow if it is not simultaneous.

Appendix : King James Bible II Esdras 11-12

Chapter Eleven

1 Then I had a dream, and behold, there came vp from the Sea an Eagle, which had twelve feathered wings, & three heads. 2 And I saw, and behold, she spread her wings over all the earth, and all the winds of the air blew on her, and were gathered together. 3 And I beheld, and out of her feathers there grew other contrary feathers, and they became little feathers, and small.

4 But her heads were at rest: the head in the middle was greater than the other, yet rested it with the residue. 5 Moreover I beheld, and loe, the Eagle flew with her feathers, and reigned vpon earth, and ouer them that dwelt therein.

6 And I saw that all things under heaven were subject unto her, and no man spoke against her, no not one creature upon earth. 7 And I beheld, and loe, the Eagle rose vpon her talents, and spoke to her feathers, saying, 8 Watch not all at once, sleepe everyone in his own place, and watch by course. 9 But let the heads be preserved for the last. 10 And I beheld, and loe, the voice went not out of her heads, but from the midst of her body.

11 And I numbered her contrary feathers, and behold, there were eight of them. 12 And I looked, and behold, on the right side there arose one feather, and reigned over all the earth. 13 And so it was, that when it reigned, the end of it came, and the place thereof appeared no more: so the next following stood vp and reigned, and had a great time. 14 And it happened, that when it reigned, the end of it came also, like as the first, so that it appeared no more.

15 Then came there a voice unto it, and sayd, 16 Heare, thou that hast borne rule over the earth so long: this I say unto thee, before thou beginnest to appear no more. 17 There shall none after thee attain unto thy time, neither vnto the half thereof.

18 Then arose the third, and reigned as the other before: and appeared no more also. 19 So went it with all the residue one after another, as that everyone reigned, and then appeared no more.

20 Then I beheld, and lo, in the process of time, the feathers that followed, stood vp vpon the right side, that they might rule also, and some of them ruled, but within a while they appeared no more: 21 For some of them were set vp, but ruled not. 22 After this I looked, and behold, the twelve feathers appeared no more, nor the two little feathers: 23 And there was no more vpon the Eagles body, but three heads that rested, and sixe little wings.

24 Then saw I also that two little feathers divided themselves from the sixe, and remained under the head, that was vpon the right side: for the four continued in their place. 25 And I beheld, and loe, the feathers that were under the wing, thought to set up themselves, and to haue the rule. 26 And I beheld, & loe, there was one set vp, but shortly it appeared no more. 27 And the second was sooner away than the first.

28 And I beheld, and loe, the two that remained, thought also in themselves to reigne. 29 And when they so thought, behold, there awaked one of the heads that were at rest, namely it that was in the midst, for that was greater than the two other heads. 30 And then I saw that the two other heads were joined with it. 31 And behold, the head was turned with those that were with it, and did eat vp the two feathers under the wing that would have reigned. 32 But this head put the whole earth in fear, and bare rule in it over all those that dwelt vpon the earth, with much oppression, and it had the governance of the world more than all the wings that had beene.

33 And after this I beheld, and loe the head that was in the midst, suddenly appeared no more, like as the wings. 34 But there remained the two heads, which also in like sort ruled vpon the earth, and over those that dwelt therein. 35 And I beheld, and loe, the head vpon the right side, devoured it, that was vpon the left side.

36 Then I heard a voice, which said unto me, Look before thee, and consider the thing that thou seest. 37 And I beheld, and loe, as it were a roaring Lyon, chased out of the wood: and I saw that he sent out a mans voyce vnto the Eagle, and said,

38 Heare thou, I will talk with thee, and the highest shall say unto thee, 39 Art not thou it that remainest of the four beasts, whom I made to raigne in my world, that the end of their times might come through them? 40 And the fourth came and overcame all the beasts that were past, and had power over the world with great fearfulness, and ouer the whole compass of the earth with much wicked oppression, and so long time dwelt he vpon the earth with deceit. 41 For the earth hast thou not judged with truth. 42 For thou hast afflicted the meeke, thou hast hurt the peaceable, thou hast loved liars, and destroyed the dwellings of them that brought forth fruit, and hast cast down the walls of such, as did thee no harme. 43 Therefore is thy wrongful dealing come vp vnto the Highest, and thy pride vnto the Mighty. 44 The Highest also hath looked vpon the proud times, and behold, they are ended, and his abominations are fulfilled. 45 And therefore appear no more thou Eagle, nor thy horrible wings, nor thy wicked feathers, nor thy malicious heads, nor thy hurtfull clawes, nor all thy vaine body: 46 That all the earth may be refreshed, and may return, being delivered from thy violence, and that she may hope for the judgment, and mercy of him that made her.

Chapter Twelve

1 And it came to passe whiles the Lyon spake these words vnto the Eagle, I saw: 2 And behold, the head that remained, and the four wings appeared no more, and the two went vnto it, and set themselves up to raigne, and their kingdom was small and full of uproar. 3 And I saw, and behold, they appeared no more, and the whole body of the Eagle was burnt, so that the earth was in great feare: then awaked I out of the trouble and traunce of my mind, and from great feare, and said vnto my spirit,

4 Loe, this hast thou done unto me, in that thou searchest out the ways of the Highest. 5 Loe, yet am I weary in my mind, and very weak in my spirit: and little strength is there in me; for the great fear, wherewith I was affrighted this night. 6 Therefore will I now beseech the Highest, that he will comfort me vnto the end. 7 And I said, Lord, that bearest rule, If I haue found grace before thy sight, and if I am iustified with thee, before many others, and if my prayer indeed become vp before thy face, 8 Comfort me then, and shew me thy servant the interpretation, and plain difference of this fearful vision, that thou mayest perfectly comfort my soul. 9 For thou hast judged me worthy, to shew me the last times.

10 And he said vnto me, This is the interpretation of the vision. 11 The Eagle whom thou sawest come vp from the sea, is the kingdom which was seene, in the vision of thy brother Daniel. 12 But it was not expounded vnto him, therefore now I declare it vnto thee.

13 Behold, the days will come, that there shall rise vp a kingdom on earth, and it shall be feared above all the kingdoms that were before it. 14 In the same shall twelve kings reign, one after another. 15 Whereof the second shall begin to reign, and shall haue more time than any of the twelve. 16 And this do the twelve wings signifie which thou sawest.

17 As for the voice which thou heard speake, and that thou sawest not to go out from the heads, but from the midst of the body thereof, this is the interpretation: 18 That after the time of that

kingdom, there shall arise great strivings, and it shall stand in peril of falling: nevertheless it shall not then fall, but shall be restored againe to his beginning.

19 And whereas thou sawest the eight small vnder feathers sticking to her wings, this is the interpretation: 20 That in him there shall arise eight kings, whose time shall be but small, and their years swift. 21 And two of them shall perish: the middle time approaching, foure shall be kept until their end begins to approach: but two shall be kept vnto the end.

22 And whereas thou sawest three heads resting, this is the interpretation. 23 In his last days shall the most High raise vp three kingdoms, and renew many things therein, and they shall have the dominion of the earth, 24 And of those that dwell therein with much oppression, above all those that were before them: therefore are they called the heads of the Eagle. 25 For these are they that shall accomplish his wickedness, and that shall finish his last end.

26 And whereas thou sawest that the great head appeared no more, it signifies that one of them shall die vpon his bed, and yet with pain. 27 For the two that remain, shall be slain with the sword. 28 For the sword of the one shall devour the other: but at the last shall he fall through the sword himself.

29 And whereas thou sawest two feathers vnder the wings passing over the head, that is on the right side: 30 It signifies that these are they whom the Highest hath kept vnto their end: this is the small kingdom and full of trouble, as thou sawest.

31 And the Lion whom thou sawest rising vp out of the wood, and roaring, and speaking to the Eagle, and rebuking her for her vnrighteousnesse, with all the words which thou hast heard, 32 This is the Anointed which the Highest hath kept for them, and for their wickedness unto the end: he shall reprove them, and shall upbraid them with their cruelty. 33 For hee shall set them before him alive in judgment, and shall rebuke them and correct them. 34 For the rest of my people shall he deliver with mercy, those that have been preserved vpon my borders, and he shall make them ioyfull vntill the comming of the day of judgment, whereof I haue spoken vnto thee from the beginning.

35 This is the dream that thou sawest, and these are the interpretations. 36 Thou only hast been meet to know this secret of the Highest. 37 Therefore write all these things that thou hast seene, in a book, and hide them. 38 And teach them to the wise of the people, whose hearts thou knowest may comprehend, and keep these seerets.
